

AAP Review Course

Earning the Accredited ACH Professional (AAP) certification designates you as a member of an elite group of payment systems professionals and allows your organization to continually be at the forefront of the payments industry.

EPCOR has designed an intensive preparation curriculum to help you prepare and score higher on the AAP exam. Learn from instructors who went through the study and testing process themselves.

The EPCOR AAP Review Course Includes:

- 1 Orientation Webinar on May 13
- 2-Day AAP Exam Preparation Classroom Learning Event in August
- AAP Study Workbook
- ACH PRO CD-Rom with Computerized Practice Tests
- Online Quizzes to help you prepare for the Online AAP Test
- 3 Online Learning Events — These OLEs will reinforce your knowledge
- Final Practice Exam and OLE
- An EPCOR Staff Mentor to help you succeed!

If you are an experienced ACH professional with a serious desire to earn your AAP certification — the AAP Review Course is designed for you!
