

# Deterring & Responding To Robberies

Learn about Robberies From a Former Bank Robber

Producers of this 45-minute DVD interviewed over 300 convicted Bank and Credit Union Robbers and provide “real life” insight into the “mind of the enemy.” The video combines the perspectives of a law enforcement officer, security consultant, the President/CEO of a large financial institution, a teller who was a robbery victim and a former bank robber, Troy Evans.
