

# National Check Payments Certification Prep Course

The National Check Professional (NCP) designation recognizes professionals who have successfully proven an expert level of understanding of the current check payments landscape which continues to provide lasting value for tens of billions of payments each year. NCPs demonstrate a working knowledge of every significant aspect of the check payment systems including products and operations, relevant rules and laws, industry standards and fraud and risk mitigation considerations.

Achieving the NCP accreditation clearly demonstrates your commitment and dedication to payments excellence and boosts your profile within the industry by:

- Recognizing your knowledge and comprehension of check payments
- Recognizing you as a leader in your field
- Strengthening your professional credibility
- Demonstrating your commitment to customer/member service
- Demonstrating your commitment to stay abreast of industry trends and topics of interest
- Positioning you for professional advancement

## I Want to Become an NCP! Where Can I Get Help?

EPCOR administers a National Check Payments Certification Prep Course to assist you in preparing for the National Check Payments Exam, administered annually by the Electronic Check Clearing House Organization (ECCHO).

Instructed via webinar, students will thoroughly examine the check payments process beginning with the basic components following through the entire check processing cycle. Rules that apply to checks, such as Reg CC, UCC 3 & 4, OC3, Reg J, Check Adjustments, ECCHO Rules and *ACH Rules* related to check conversion. The latest initiatives and innovations in the check industry as well as fraud and risk mitigation will also be covered.
